

WORKSHOP IN STUDIO HENK WOLVERS

WORKING WITH PORCELAIN

PROGRAMME

The workshop is about porcelain in general and aims specifically at the colouring of porcelain.

Apart from instruction about the material there is much room to work on your own.

The purpose is to be inspired and experiment, rather than being focussed on the end result.

The participants are expected to have sufficient basis knowledge.

BRING ALONG

rolling pin

towel

sponge

some basic tools

pen and paper

PRACTICAL INFORMATION

The workshop takes 2 consecutive days, Saturday and Sunday, from 10.30 to 17.00.

Dates: 10 and 11 March 2018

Number of participants: at least 8 and not more than 10
