

WORKSHOP IN STUDIO HENK WOLVERS

WORKING WITH PORCELAIN

PROGRAMME

The workshop is about porcelain in general and aims specifically at the colouring of porcelain.

Apart from instruction about the material there is much room to work on your own.

The purpose is to be inspired and experiment, rather than being focussed on the end result.

The participants are expected to have sufficient basis knowledge.

BRING ALONG

rolling pin

towel

work gloves

sponge

some basic tools

pen and paper
